FWIGT - Statewide training day

As most of you know already, our Fort Wayne Chapter will be hosting the next training day for Indiana Ghost Trackers. It is scheduled for **Saturday, March 25th** and will be an all-day event. The Mizpah Shrine has confirmed and it will be the location.

At this time a list of classes is not available, but we'll let you know as soon as we find out what will be offered. New State Trainer is Kris Baker. She is reworking the training system, so it should be bigger and better than before. We're expecting that the regular annual training will be offered, as well as things like psychic protection, equipment classes, PR classes, etc. The training will be open to all IGT members in the State.

We are expecting a **LARGE** crowd. Anything you can do to help would be appreciated. We would love to have a great hunt set up for that night too. If you know of a great hunt that will impress the members from all over the state, **PLEASE** let Shannon know ASAP so there is time to get it all set up!

We still **need volunteers** to help in many areas...selling merchandise, registrations, etc.

We would also love to offer, for the very first time, **Babysitting!!** Some members' reason for not being able to attend is that they don't have a sitter for their kids. FWIGT is trying to work it out so we have baby-sitters on hand to watch members' children. There would be scheduled activities for the kids, and the babysitters would get to keep the money collected. We are looking for responsible volunteers (teens or adults) who'd be willing to work in the Babysitting room. Ideally, there should be 1 sitter for every 2-3 kids. If you know of any responsible volunteers, please let Shannon know ASAP. *This won't be a possibility if there aren't enough volunteers.*

MUNCIE OVER-NITER

The Muncie Chapter has extended an invitation to the entire Northeast Region for an overniter at the very unique and haunted "Hotel Roberts" (aka: the Radisson located at 420 South High Street) in downtown Muncie. This will take place on Saturday, February 25TH.

Judy VanNatter, Assistant Director of the Muncie Chapter and long time employee of the Hotel Roberts, will be giving a guided tour and will be describing some ghostly experiences over the past years.

Following the hour tour, members will be able to investigate at his/her own pace. AFTER the formal ghost hunt/investigation concludes, visits to the club downstairs and partying in rooms will be permitted. Snacks and beverages will not be provided, so bring your own.

Since several members of FWIGT would like to attend, our regularly scheduled meeting on that same night will meet earlier (time TBA), and then anyone wishing to go to Muncie can all leave together. If you would like to attend, please let Shannon know **before Feb 3rd**. The more members that go, the cheaper the price will be.

Thanks to everyone who participated in the first ever, FWIGT Family Day at the FunDome last month!! We had so much fun swimming, playing in the tunnels and arcade. We missed those of you who didn't make it.

Hopefully everyone will be able to join in the fun next time we have a Family Day.

If you have a suggestion for a great event, please let a board member know!!

Meet a Member

Each month I will select one or two members at random and email a notice if you will be featured. I have a few brief questions, and then you can elaborate and share any extra info you'd like. If you'd like to submit a picture of yourself, please email it, along with your info to me by the 20th of your designated month.

Meet...Dawn B

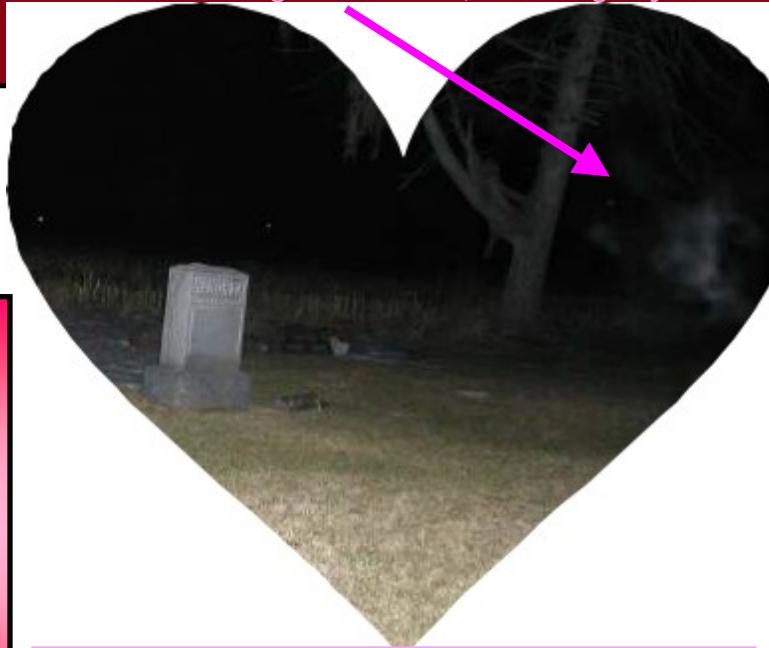

I joined two years ago, in January 2004. Shannon Keipper wanted to come and try out the group. She asked me to come with her to the first meeting. I was hooked after that.

I have an Individual membership, due to the fact that my two sons are not old enough to go on hunts or investigations yet. Gage is 12, and Ryan is 10. I spend all my free time with them and with my Best Friend, Shannon. We love swimming, camping and having campfires in the back yard. I am looking forward to the day that Gage and Ryan are old enough to enjoy ghost tracking! Some of my favorite things to do outside of Ghost Trackers are: photography, reading, playing catch, music, and working in the yard.

I live in LaGrange. It is about an hour north of Ft. Wayne. The Haunted Jail in Columbia City is my favorite place to go for ghost hunts.

See below for one of Dawn's Ghost Hunt photos, taken at a cemetery in NE Indiana. Notice the Mist to the right of the tree (and no fog anywhere else?).

“Useless Info”

Did you know...?

* The Simpsons animated series holds the record for most guest stars; it is also the only non-variety show to have had appearances from three former Beatles (Paul, George and Ringo).

* No matter who the characters in Seinfeld call, they never have to look up the phone number in the phone book. They have the phone numbers to every restaurant, hotel, and business memorized.

* In every episode of Seinfeld there is a Superman reference somewhere.

* In the movie *Matrix*, In the scene where Agent Smith is interrogating Neo, after Smith has sealed Neo's mouth shut and he is backed into the corner, when the camera cuts back to Smith you can clearly see a reflection in his glasses of Neo still sitting down in the chair.

* The lake that Jack told Rose he went ice fishing on when she was threatening to jump is Lake Wissota, a man-made lake in Wisconsin near Chippewa Falls (where Jack grew up). The lake was only filled with water in 1918 when a power company built a dam on the Chippewa River, six years after the Titanic sank.

* Back to the Future... In case there is any confusion a Gigawatt (not Jigawatt) does exist. It means 1 billion watts. So, the power required for the flux capacitor is 1.21 billion watts. Whether it could be channeled down a cable, that easily is another matter.
